DEDICATION

Mrs. Francyle Phillips

The 1980 La-Del Yearbook Staff would like to take this opportunity to dedicate this yearbook to Mrs. Francyle Phillips. Mrs. Phillips has been loyal and dedicated to her work for twenty-four years. Deeper than her loyalty, she is a conscientious school nurse who thinks of the care of her students and keeps their health records up to date. She has also weighed and measured every student in school each year.

With this dedication goes the best wishes for a very happy and healthful retirement from all the students and faculty.
